Where sportsmanship reigns supreme, friendships last a lifetime, and memories are sure to be made, it's COLOR WARS 2019! Red, Blue, Green, and Gold are back and better than ever. Get ready to support your color team in epic challenges, cheer on your friends while they score their own victories and try some new things.

F WEEK (July 28 - AUG 3): HARRY POTTER & THE MAGIC OF CSM

Pack your trunks and get ready for the most magical week of camp yet. The Hogwarts Express is heading to CSM! Team up with friends, new and old, as we take down trolls, solve mysteries, and put our Quidditch skills to the test. There's more to this story than you think...the fun, magic, and friendship are endless, so you don't want to miss this.

H WEEK (August 11-17): SPACE STATION CSM

What kind of songs do planets sing? Neptunes! Gear up for some out of this world fun as we explore CSM's satellite location in space. Nothing is off limits when your imagination is involved! You can defy gravity at the waterfront, play dodgeball with moonrocks, or discover new intergalactic creatures. We're cleared and ready to blast off as soon as you arrive!

C WEEK (July 7-12): WORLD'S GREATEST

Greatest friends, greatest memories, greatest camp. This week is all about celebrating the best that the world has to offer! Whether people, places, food, or competitions, our exploration of greatness has no bounds. Join us this week as we travel the globe to sample the world's greatest, of any category we fancy!

E WEEK (July 21-26): JUST STOPPING IN

Breakfast in the future, lunch with dinosaurs and then dinner in the Wild West? When time is irrelevant, the possibilities are endless. This week we are stopping in on whatever year, decade, century or era we choose! There's sure to be a time and place for everyone to enjoy meeting new friends and reconnecting with old ones (like, really old) this week.

G WEEK (August 4-9): WALK ON THE WILD SIDE

It's going to be a jungle in here, or a safari or forest or anywhere else you can find some outrageous animal kingdom antics. This week at CSM we are going to unleash the beasts and shake it up as animals, both real and imagined, take over. Everyone will be feline fine this week, so join us as we get in touch with our wild side in every possible way. If you don't believe me, you're in de-Nile.

I WEEK (August 18-23): THE BIG SHOW

It's not every year that our exclusive I-Week comes around, so we are pulling out all the stops to wrap up the summer of 2019. Over-the-top entertainment will ensue and it's your chance to be the star of the show. Get psyched for some camp classics, like a Ham Jam and shaving cream war, but also be prepared for the unexpected because when everything is a spectacle, anything can happen. Join us as we give I-Week everything we've got!
