

Revised Terms, Conditions and Refund Policies in Response to COVID-19

We at Camp Stella Maris understand that all of our camper families have been impacted in some way by the COVID-19 pandemic. In support of all of our camper families during these uncertain times, we have decided to offer further payment options in addition to updating our cancellation policy. We value the partnership we form when families choose to register their camper at CSM and look forward to working with all of you in finding a best option. Please refer to the information below for our updated policies and as always it would be our pleasure to talk you through your options by phone as well.
