

B Week: Stars and Stripes

This week promises to literally start off with a bang! The patriotic songs will be pumping, the lake will glow red, and the fireworks display will amaze, as we enjoy Conesus Lake's annual ring of fire. However, this is just the tip of the firework because the party doesn't stop there. All week will be a celebration of this great nation, so pack your red, white and blue because all we need is YOU!
