## **A Week: Don't Stop Rockin'**

Get ready to rock because this week is anything, but the same old song and dance. Showcase your moves, pick up some new steps, warm up your voice, tune your air guitar or create your own instrument because anything musical is on the table this week. Feel like you aren't the most musically inclined? That's OK, just savor the sounds as you enjoy your favorite CSM programming and help your team to a "We Are the Champions" moment!

## **B Week: Stars and Stripes**

This week promises to literally start off with a bang! The patriotic songs will be pumping, the lake will glow red, and the fireworks display will amaze, as we enjoy Conesus Lake's annual ring of fire. However, this is just the tip of the firework because the party doesn't stop there. All week will be a celebration of this great nation, so pack your red, white and blue because all we need is YOU!

## **C Week: Who Dunit?**

Stella the Star is missing! And we need your help to figure out what happened. No prior sleuthing experience necessary, training will be provided by CSM's very own camp detective. This week you will be looking for clues, processing evidence and helping us solve the greatest mystery of the summer. Zany adventures are sure to ensue as we follow the evidence, and the truth of Stella's whereabouts unfold.

## **D Week: Color Wars**

Let the games begin! Legendary red, blue, green, and gold teams will compete for points throughout the week until a winner is ultimately crowned. Get ready to work with your color captain and teammates to show you have what it takes to claim victory. This week will not only have classic color war competitions, but there may also be a few surprises up our sleeves. Gear up for this ultimate week of team spirit, healthy competition, and sportsmanship.
