

Adventure-Based Learning Experience Facilitator

Camp Stella Maris is currently seeking eligible applicants for the position of ABLE Facilitator. This position requires energetic, adventurous, and safety conscious individuals. ABLE Facilitators are responsible for communicating with and overseeing guests and facilitating adventure elements during their experience to ensure an unforgettable and safe adventure. This is an active outdoor position that not only involves communicating with guests for safety and guidance but facilitating large group games and low-ropes elements.

Responsibilities Include:

- Welcome guests and introduce them to the course
- Harness guests and familiarize them to the safety equipment they will be using during their adventure
- Lead and facilitate teambuilding games and activities and debriefings
- Lead and facilitate low-ropes elements and debriefings
- Promote a safe and enjoyable attitude at all times with guests and staff to ensure a positive lifelong memory
- Operate, inspect and facilitate guest experience of climbing walls, high ropes course, and zipline
- Complying with and enforcing the policies, procedures, and regulations of Camp Stella Maris

To be considered these qualifications must be met:

- 18 years of age or older and prior work experience
- Passionate about the outdoors
- Commitment to safety and attention to detail
- Must have excellent verbal communication, presentation, and customer service skills
- Must have weekend availability and flexible weekday availability
- Must be comfortable working at heights of 30 or more feet
- Must be able to perform all job functions for long periods of time in all weather conditions and at height
- Prior ropes/climbing and/or teambuilding facilitation experience is preferred but not necessary. We will provide all training needed.

Hours and Pay Scale

This position can require 20-30 hours/week during busy spring/fall season.

Pay Scale: \$15.00-17.00/hour
