B Week (June 30th - July 6th) Fun, Friends & Fireworks

We are blasting into the 2024 Summer Camp season with a week-long 4th of July celebration. The fun begins Sunday when campers arrive and bursts throughout the week with red, white, and blue themed games, skits, and treats. Mid-week campers gather on the beach for Conesus Lake's famous ring of fire and fireworks show. It's going to be a great week full of patriotic activities as together, we recognize all we love about the USA.

C Week (July 7th – 12th) Knights of Mystery

A mysterious jester has stolen the King's crown right off the throne. Sir Stellalot and the Knights of the Basketball Court need your help. Join the crusade as we follow the evidence throughout camp to capture the Jester and return the crown to the King. Grab your coat of arms and get ready for a chivalrous quest to help solve the mystery.

D Week (July 14th – 20th) Color Wars

Let the battle begin. Through a sense of fellowship with your competitors, this week is all about earning points for your color. Will it be the gold team that has the determination to obtain points? Will the blue team put their competitive hats on to grab points? Maybe the red team will be hungry enough to acquire points. Or will the green team bring the determination to do what is necessary to be crowned the Color Wars champs? Do you have the courage, persistence, respect for others and drive to win?

E Week (July 21st – 26th) Race to Space

The "Star of the Sea" has fallen from the sky and needs to be brought back up to space. Campers will need to prove to SMASA (Stella Maris Aeronautics and Space Administration) that they can help build and run the spaceship to make the journey. But what if SMASA isn't being honest and the Star of the Sea belongs down at CSM? Join us as we work together to investigate and ensure the Star of the Sea reaches its proper destination.

F Week (July 28th August 3rd) Olympics Spirit

We are bringing the 2024 Summer Olympics to Conesus Lake and gearing up for a world-class week of competitions as we honor the XXXIII Olympics, CSM-style. We'll be kicking it off with our own opening ceremony and cheering on campers and counselors as they battle it out for the Stella Cup. This week gaga is an Olympic sport and the Olympics only come around once every four years, so trust us when we say that you will not want to miss it.
