

**Business Administration, Marketing, or Sales
Paid Internship/ Co-op
\$375 - \$425/week (includes room & board)**

Gain valuable real-world experience by completing a Camp Stella Maris paid internship for Summer Camp 2024. As an intern, you will work with the Marketing Director to oversee and run the camp store including leading groups of teens in operating a store, capturing moments of campers and staff through photography, and promoting brand awareness through a variety of avenues. This is your opportunity to build the skills and knowledge that will take a career in Business Administration, Marketing or Sales to new heights.

Located 30 minutes south of Rochester on Conesus Lake in Livonia, New York, Camp Stella Maris was founded in 1926. For nearly a century, it has been a shining star in the lives of hundreds of thousands of children from the surrounding area and beyond. Camp Stella Maris strives to create a fun, safe, and caring environment for campers of all ages while fostering their spiritual, physical, and emotional growth.

At Camp Stella Maris, everyone is embraced, respected, and valued for their unique qualities. They celebrate human diversity and strive to create meaningful opportunities for personal connections that acknowledge, encourage, value, and respect our differences and similarities. The camp is committed to providing a safe, welcoming, and respectful atmosphere where everyone can feel at ease.

CSM's 8-week Summer Camp programs serve children ages 5-17. While spending a week on the 33-acre property, campers enjoy areas such as Waterfront, Ballfield, Adventure, Spiritual, and Arts & Nature.

An internship at CSM is a great opportunity to gain professional work experience in a nonprofit organization. As an intern, you will deepen your understanding of the reasoning behind content development through video/photography while growing your creativity, problem-solving, and time-management skills. It is an excellent chance to practice your attention to details, connect with people to build communication skills, and think on your feet.

Upon completion of the internship, you will be able to bolster your resume with experiences and demonstrate the skills you've learned when you step into your career.

- Capture the essence of our brand through stunning photography and videography that will inspire and engage our audience across social media, online and print advertising.
- Assist in fostering brand loyalty by managing the camp store and leading a small team of staff.
- Assemble, label, and distribute merchandise to campers that represent our brand.
- Build strong interpersonal skills through communicating with customers and team members.
- While overseeing the camp store, you will enhance your knowledge of business procedures, marketing, and management responsibilities.
